

INSTITUTE OF DIRECTORS-GHANA

**LIST OF COUNCIL AND  
COMMITTEE MEMBERS  
APPRECIATED FOR THEIR  
ENORMOUS SERVICES RENDERED**

**DURING THE 2018 - 2020 COUNCIL TENURE**

## BACKGROUND

In July 2018, a new Council was sworn into office to govern the affairs of the Institute. A month later, a Mega Transformation Agenda (MTA) was birthed to reposition the Institute to better fulfil its mandate. Great sacrifices have since been made by a host of people to ensure successful Implementation of the strategic plan.

Significant contributions have been made by Council Members, Committees Members, Management, Staff, other Members of the Institute as well as well-wishers who continue to provide professional services when needed, in support of the operations of the Institute which traditionally runs a very lean secretariat.

On December 11<sup>th</sup> 2020, nearing the end of the tenure of office, Council decided to express appreciation to all such for the sacrifices made thus far.

A three-member committee comprising Prof. John Bright K. Aheto (HFloD), Mr. Frederick Ofose-Darko (MloD) and Rev. (Mrs.) Angela Carmen Appiah (FloD) was thus tasked to develop some criteria for appreciation. The work of this committee sought to recognise the unique contributions of deserving Council, Committee members, Management Staff and other Non-IoD-Gh individuals who have graciously toiled to improve the wealth of the Institute. The Committee's recommendations were accepted by Council.

Consequently, an Appreciation Committee was formed to operationalise the recommendations of the Council Committee. The members of this committee are Ing. (Dr.) Kenneth Ashigbey (FloD) and Madam Juliet Aboagye-Wiafe with support from Rev. (Mrs.) Angela Carmen Appiah (FloD) and Mr. Fred Aryeetey (MloD).
